

Westchester Chordsmen Chorus "Learn 2 Sing" Program Syllabus

The Westchester Chordsmen Chorus proudly introduces its "Learn 2 Sing" free instructional program. The "Learn 2 Sing" program is ten hours of singing lessons and voice development, delivered for two hours one evening per week over a five week period. Two songs will be learned and prepared for a free performance with the Westchester Chordsmen Chorus on the evening of Week 5 for family and friends.

Course participants are provided with music, instructional materials, and practice audio files on CD. The CD learning tools make keeping up with course and improving every day fun and easy, especially for those students who do not read music. Participants are expected to attend all five weekly sessions, and complete the very easy homework assignments. Those who attend all five sessions will not only earn a Certificate of Completion, each of them will sing *much* better for having completed this valuable program.
